

## How to Register for Programs and Activities

### Ready to Get Started?

- [Log in and register for programs today!](#)
- If you have registered in a program or had a membership with us, you likely already have an account with us. Your login will be your email. To retrieve your password, click on the "**forgotten password**" link to access it.
- If you are a new user, you need to set up your account before registering. Just [follow this link](#), click on "Create New Account" and follow the instructions.
- Need more info? Check out the following information below.

**NOTE:** If you wish to create a new account for a child, you must create an account for an adult first. If you do **NOT** have an account with us, please enter the following information for the adult to set up an account. When assigning participants, you can enter family members who reside within your household (for example, children).

#### Enter a Login Name

- Your Login Name is not case-sensitive. For example, "johndoe" is the same as "JohnDoe."
- Your Login Name cannot be all numeric.
- Please make a note of your Login Name for future reference.

#### Enter a Password to protect your account from unauthorized access

- Use only regular letters and numbers without spaces.
- Your Password is **case-sensitive**. For example, "johndoe" is not equivalent to "JohnDoe."
- Please make a **note** of your Password for future reference.

Once you have your account, login and proceed with your transaction.

You are now all set!
